**The difference between cornmeal and corn flour is the tightness of the milling stones & the fineness of the product. Both are made from Maine grown organic corn with the bran removed.**

**FIDDLER'S GREEN FARM, BELFAST**

**BAKER'S BLEND with MAINE WHOLE WHEAT**

**Although Maine currently has three fine stone mills in operation, we do not have a white flour mill. Fiddler's Green Farm, a custom mill and baking mix blender we all know and love, was willing to craft a 'Baker's Blend' for Crown O'Maine.**

**The mills Aurora Mill's cleaned wheat berries, and blends in a high quality white flour from Natural Way Mills. The result is a flour that is wholesome, 50% Maine grown, and very versatile.**

**HERBAL TEAS**

**BLESSED MAINE HERB FARM:** This herb farm has been producing, caring, and creating holistic remedies for the people of Maine for 22 years. All products are certified organic by MOFGA, registered with and approved by the FDA.

While we offer only their herbal teas due to our mainly food focus, BMHF offers a large line of medicinals that can be ordered on their website: [www.blessedmaineherbs.com](http://www.blessedmaineherbs.com). We also offer only the teas that are made with Maine grown ingredients.

**HOME BREW BEER KITS**

**CENTRAL STREET FARMHOUSE:** This German style farmhouse shop in downtown Bangor is known for its quality homebrewing supplies and baby boutique. That's right. Baby boutique. Causal merchandising? That's for you to decide.

Please email us for a complete list of descriptions - they are fun, but too long for this sheet - you will love them.

We are excited to offer a seasonal line of homebrew supplies. The line up will change quarterly, and we hope to include Maine grains in these kits by fall. Each kit brews 5 gallons and hardware is sold seperately. Enjoy. Please brew responsibly.
